EXPERIENCE

Lead Frontend Engineer

Mar 2023 – Present

Nexclusive Tech Dynamics (formerly DayNight Consultants; business handed over)

LEADERSHIP

- Lead the frontend team: plan and assign work, **review code** and set the standards for UI quality, responsiveness and performance.
- Act as the main point of contact for **clients**, gathering requirements, sharing progress and turning feedback into clear development tasks.
- Work closely with **management** on scope, priorities and timelines, and **deliver projects on schedule** from design hand-off to launch.
- Guide and support developers on the team, helping them solve technical problems and keep work consistent across projects.

DEVELOPMENT

- Led the revamp of the company website on **Payload CMS**, a headless, TypeScript-based CMS built on **Next.js**. It gives the content team easy, structured editing while the front-end stays fast, SEO-friendly and fully custom.
- Build and launch high-converting marketing landing pages with **Webflow** and **Unbounce**, enabling quick campaign launches and A/B testing.
- Convert **Figma** designs into pixel-perfect, responsive interfaces using **Tailwind CSS** and **Bootstrap 5**.
- Delivered front-ends for **exclusivemarkets.com** and its related platforms.

UI Developer

Oct 2022 – Jan 2023

Intellolabs Pvt. Ltd.

- Developed and customised **WordPress** websites, adapting themes, layouts and plugins to each client's requirements.
- Converted PSD designs into responsive, cross-browser **Bootstrap** pages.

KEY STRENGTHS

- ▶ Team leadership & code reviews
- ▶ Client & stakeholder communication
- ▶ On-time project delivery
- ▶ Design-to-code conversion
- ▶ Mobile-first, cross-browser UI
- ▶ UI design from scratch

UI Developer

Jun 2020 – Sep 2022

TechGenies India Pvt. Ltd.

- Built and maintained **WordPress** websites with **Divi** and **Elementor**, turning Adobe XD designs into responsive, easy-to-edit sites.
- Developed **HubSpot** websites and landing pages using HubSpot CMS templates and modules.
- Created custom **HTML5/CSS3** websites with **Bootstrap** from XD and PSD designs, including network.nurseslounge.com.

UI Developer

May 2019 – Mar 2020

QuayInTech Pvt. Ltd.

- Converted PSD designs into responsive, standards-compliant **HTML5/CSS3** pages with Bootstrap.
- Worked with back-end developers to integrate the front-end and fix cross-browser and mobile layout issues.

UI Developer

Jun 2017 – Mar 2019

QuadLabs Technologies Pvt. Ltd.

- Designed web interfaces in **Photoshop** and coded them into responsive HTML5/CSS3 with Bootstrap.
- Built front-ends for travel and e-commerce websites, working alongside the .NET development team.

Associate UI Designer

Apr 2016 – Jun 2017

Xcelserv Solutions Pvt. Ltd. (incl. sister concern Fiercehound Media)

- Designed client website UIs in **Photoshop** and built them as responsive Bootstrap front-ends.
- Handled both design and front-end development for client projects, from first mock-up to live site.

Web Designer

Sep 2015 – Mar 2016

Netscape India Pvt. Ltd.

- Created website designs in Photoshop and converted them into responsive **HTML5/CSS3** with Bootstrap.
- Updated and maintained existing client websites with layout changes and fixes.

Web Designer

May 2013 – Jul 2015

Avis Technology

- Started my career designing websites in **Photoshop** and hand-coding them into HTML/CSS layouts.
- Learned the full design-to-code workflow on websites for small businesses.
